

Conferințe

1995-2022 Președinte la șapte ediții ale Conferințelor Internaționale de Chimie Ecologică și Chimia a Mediului (UNESCO, MFGS, CRDF din SUA), desfășurate la Chișinău, Republica Moldova

2015 The 18th International Conference “Physical Methods in Coordination and Supramolecular Chemistry”, Chișinău, Republic of Moldova – Chairman

2010 The International Conference “Water – History – Perspectives”, Moldova-Austria, Chișinău, Republic of Moldova – Chairman

2008 The International Conference “The Role of Ecological Chemistry in Pollution Research and Sustainable Development”, NATO Science for Peace and Security Advanced Research Workshop, Moldova-Germany, Republic of Moldova – Chairman

Prezentări la evenimente internaționale

1. Lecture Notes on Data Engineering and Communications Technologies: Proceedings of the Fifteenth International Conference on Management Science and Engineering Management, 2-3 august 2021, Berlin, Germania, Vol. 79, 2021, pp. 452-462, DUCA, Gh., Design of the Smart Objectives System in the Management of a Research Project. DOI: https://doi.org/10.1007/978-3-030-79206-0_34.
2. The 14th International Conference on Management Science and Engineering Management, ICMSEM. Jul. 31 - Aug. 1, 2020, Chișinău, Moldova, DUCA Gh., Travin S., What is Science management Part I-II.
3. The 11th International Conference on Management Science and Engineering Management, ICMSEM. Jul. 28 - Aug. 2, 2017, Kanazawa, Japan. DUCA Gh., Mereuță A., Solid Waste Management in the Republic of Moldova.
4. International Conf. on Management Science and Engineering Management. August 2016 Baku, Azerbaijan, DUCA Gh., Covaliov O. Intensified Water Treatment methods. Published in: *Advances in Intelligent Systems and Computing*, Springer-Verlag Berlin Heidelberg 2016.
5. Environmental Challenges in Lower Danube Euroregion: Abstr. Book conf., Univ. „Dunărea de Jos“, Galați, România, 2015, p. 25, DUCA Gh., Zubcov E. and Bogdevich O. Interdisciplinary Centre for Environmental Study and Monitoring in Low Danube Region.
6. Nuclear Radiation Nanosensors and Nanosensory Systems: Intern. Conf. Tbilisi-Spring-2014, NATO: Advanced Research Workshop, Tbilisi, Georgia, 6-9 Mar. 2014, Tbilisi, 2014. p. 30-35, DUCA Gh., Sidorenko A., Bogdevich O., Vaseashta A. The Methodology for the Organization of Remote Groundwater Monitoring in Republic of Moldova.
7. The 6th International Conference on Environmental Engineering and Management ICEEM-06, Balatonalmádi, Hungary, 1-4 Sept. 2011, DUCA Gh., Bogdevich O., Cadociniov O., Porubin D. Pollution sources by old pesticides in Moldova.
